Saint Dominic Savio

As a young boy, Dominic did many of the things that children today do. He went to school and studied hard. He had many friends and enjoyed playing games.

Praying was important to Dominic. He would often leave the playground and go into church. He prayed everyday, sometimes praising God through song.

Like Dominic, we can praise God through song. Create your own song to praise God. Write a prayer giving praise to God. Set this prayer to music by using a familiar tune or rap lyrics. Share your musical prayer with your family, friends or your class.
